Description

Hi, I am Omar Alvarez and I'm a sophomore at Pacheco High School. I was introduced to FFA when the chapter came to my Junior High School two years ago. Right away I was interested and wanted to be involved, so I enrolled in an Ag Mechanics class which I have been a part of for two years now and it has made my high school experience amazing. I have joined and competed in judging teams, public speaking competitions, and picked to attend the 2020 State FFA Conference that was sadly canceled due to COVID-19. I've put in all of my time and my effort into this market hog as it is the only thing that's kept me going and keeping me happy during these tough times. When I first got my hog I chose her as I liked the way she looked and her charm, I decided to name her Suzie she is a Cross Hampshire, She came in Weighing 240 lbs.
