### **Description**

I am Joshua Simas and currently a 2020 graduate at Pacheco High School. After all my senior activities have been cancelled I spent everyday working and spending time with the last thing that that kept senior year going. I have spent countless hours grooming, maintaining his health, and exercising my pig to make him the most presentable at fair. Being informed that the Merced County Fair got cancelled due to COVID-19 broke my heart. I was hoping this fair would still be in person because this would have been my last and final fair of my High school/FFA career. My pig for this year is a Yorkshire weighing at around 240 pounds. He is a well round and outstanding looking pig and extremely sad knowing he would have done well at the fair. I hope to break even at this virtual auction because it will be hard for my family and I to financially recover from this. Thank you for your time and consideration.
