Description

My name is Sophia Nino and I am a graduating senior at Pacheco High School. I am an active member of the Pacheco FFA Chapter and I am raising a market swine for this years 2020 Merced Virtual Livestock Auction. This is my first year participating in raising a market swine, however I have participated in showing market lamb perviously. At the beginning of this year, I had purchased a 56 pound market swine and over the past 4 months I have been working with him every second that I could, maintaining his diet and well being. Since the fair was cancelled this year, along with every school event, I worked even harder with him, as I had all the time to do so. Being a senior this year, I am truly saddened that I didn't get to experience Merced Fair one final time. Thank you for your time and consideration.
