**Type of Sale** Terminal - Buyer Gets Project at High Bid

### **Description**

My heifer is a Holstein. She is generally stubborn but throughout this project she has developed a lot, it also helped my character and gave me good work ethic. Last year I did a pig and it is a big difference from a pig to a heifer. My heifers name is pig. I bought my heifer from Vander Woude Dairy that is also where it is located at.

**Quantity:** 1
