Description

Hello, my name is Titus and I'm currently the Sgt. of Arms for Le Grand 4-H. I'm 12 years old and this is my 4th year participating in the 4-H Swine project.

My Hampshire "Wildly" which we bought in March was pretty high-strung when we first got him, he eventually warmed up to us in a few weeks. He knows that I'll be feeding him every morning and night and as that time gets closer he let's me know pretty loudly that he wants food. And then when he's done he lets me know by banging the bowl on the fence when he is finished. I named him Wildly because he is full of energy and excitement. He has a lot of spirit and enthusiasm. He likes to run and he eats a lot. Through this project, I've learned to be more gentle with the pig and also how to be patient especially when my barrow is being stubborn. Hard work and patience pays off when raising a hog, because later on they will be easier to control and walk.
