Description

My name is Zachary Davey. This is my 6th year raising market swine for the Merced County Fair. I was a member of Lancers 4H for 5 years and this would have been my first year getting to wear the blue and gold representing Golden Valley-Merced FFA. I raised a crossbred market hog named "Molly".

I am just finishing 9th grade. This year has been a season filled with uncertainties due to Covid-19, but I am making the best of distance learning and am able to spend more time with my family and my swine project. I attend Golden Valley High School where I was goalie for J.V. water polo, play the trumpet in our award winning band and participated on the swim team briefly before our season was cut short. I am an active member in my church youth group at Central Presbyterian Church. I would greatly appreciate you bidding on my project. I hope to raise money towards an animal to show for next year. Any extra will be put into savings for college.
