### **Description**

Hi, my name is Haydon Williams and I raise market lambs for Linden Peters 4H Club. This year is my fourth year raising a lamb to sell at Agfest. I am 13 years old and I am an honor roll student at Waterloo School where I will be going into the 8th grade this fall. I love raising sheep and I like being able to work with them. My lambs name this year is George, he is a Hampshire cross and the largest lamb I have had so far. I have had him since February 9th and since then, I have been walking him everyday and feeding him grain and hay twice a day.

Besides 4H, I am actively involved in my school districts show choir and honor band. I also love to travel and hope to one day get to travel across Europe.

Covid-19 put a lot of things on hold this year, so I am thankful that I still have the opportunity to show and sell my market lamb. The money I earn from my market lamb every year goes into my savings account for college.

Thank you for your support.
