Type of Sale Terminal - Buyer Gets Project at High Bid

Description

Hi my name is Zane Bender and I am selling my 2-year project. Her name is Dee and she is a calm confident heifer. I have enjoyed watching her grow and learning her personality. When I feed her she is happy and likes to be scratched on the head, but first you have to let her sniff you. When I bring her oats she gets excited and comes right to me. Dee is one of the largest heifers I have raised and one of my favorites. She is due in late July and her calf should have plenty of milk for her to drink. I will truly miss caring for her. Dee has done a great job over the last couple of years. It was the first time I have had a 2 year project, and it has been really nice to work with her, especially the second year. She listens and is very compliant.

I am currently finishing my Sophomore year in high school and have been raising heifers since I was in the fourth grade. Working with Dee has taught me responsibility and that a lot of hard work needs to be put in (walking, clipping, feeding, washing, etc.). I wish we

could all attend Agfest at the fairgrounds, as it's something I have looked forward to the last 7 years. Although the online auction is very different from what we are all used to, I'm sure it will be successful!!
