Description

Hi, my name is Farrah and I am selling my 2-year heifer Caroline. She has done a great job over the last couple of years. It was the first time I have had a 2 year project, and it has been really nice to work with her, especially the second year. Caroline loves to eat, especially oats and she will keep the other heifers away at all costs while she inhales. Her eyes bug out and her ears go back, but once she is eating she calms right down. She listens and is pretty compliant. Caroline is due in early July, and is "very" pregnant.

I am currently finishing my Freshman year in high school and have been raising heifers since I was in the fourth grade. Working with Caroline has taught me responsibility and that a lot of hard work needs to be put in (walking, clipping, feeding, washing, etc.). I wish we could all attend Agfest at the fairgrounds, as it's something I have looked forward to the last 6 years. Although the online auction is very different from what we are all used to, I'm sure it will be successful!!
