Description

Meet Melody, my gilt that is a AOB. I got her from a breeder in Ripon, Ca this past Febraury. She was very calm and was always waiting by the gate everytime she heard me take the lid off the barrel to feed. As she got bigger I walked her often. I was always making sure that she was washed and clean. Overall she was an awesome pig and didnt do much but sleep. I learned responsibility and time managment skills.
