Description

My Name is Emma Anderson and I am 11 years old. I am a 5th grader in McSwain 4-H. This is my second year showing goats with 4-H. On February 29, 2020, I got to bring my goat home. I decided to name him Adida because he is black and white. He is super friendly and always greets me when I come to the gate to work with him or feed him. Whenever I go out there to say hi he likes to talk to me. He has been very spoiled. For the past month I have been picking and feeding him apricots from our tree. He also got to eat fresh blackberries from our garden. We have a great bond with each other. Adida has grown so fast and is really fat and it's kinda silly.

This year I do not get to show my goat because the Merced County Fair has closed because of COVID-19. I am lucky though, because the Merced County Fair has arranged a virtual auction for all the 4-H and FFA members. This year has been very crazy with COVID-19. I am

dissapointed that we do not get to have a fair this year. I am grateful that we do have the opportunity to participate in a virtual auction. I would like to thank you for taking the time to learn about Adida and me. Good luck during the auction.
