Description

Hello. My name is Lisette C. Cisneros. This is my second year in FFA but first year selling a market lamb at the San Joaquin AgFest. I am at the end of my sophomore year at Bear Creek High School. My lamb, Peaches is a male lamb also known as a wether. Peaches is 127 lbs and growing. I have had him since 02/08/20 and he was 78lbs when I first got him. He is a light cream color with a darker face. Since I have had Peaches he has gained appropriate weight, strength, and has maintained a health. I can say as my first year raising an animal this experience has taught me to be more responsibility and accountable to something other than myself, and I can't wait to have this experience again. Thank you for your time.
