### **Description**

My name is Chloe Covello, and this is my third year in the Ripon 4-H Club. I am currently 12 years old, and I am showing sheep for my third year. My sheep is a mix of Hampshire and Suffolk, and his wool is a bright white color. But without his wool, he is a white and light pink. His name is Chad, referring to the movie High School Musical. He is well defined in many ways, he has a very wide rear, he has a spunky attitude, unlike any other sheep I have trained for 4-H, a very squared back, and a long loin. His spunky attitude is what makes him difficult at times. He is the best shaped lamb I have ever owned, with his squared and powerful rear, and a muscular body shape.
