Description

Hi, my name is Emma Ayers I am 17 years old and an active member of Ripon FFA. This is my second year showing goats. I love being a part of FFA and am truly missing school. I have been raising a boer goat for the past 5 months, his name is Anakin. I have been keeping him on a strict 12 hour feed rotation, giving him plenty of exercise and tending to him appropriately. These times have made this a project a little bit more difficult but I was able to adapt to the situation and completed this project to the best of my abilities. This year has been tough but I have learned a lot more about my project and was able to give more than my best efforts.
