County Merced

City Merced

Animal Weight (in Pounds) 85 lbs

Date of Reported Weight 06/02/2020

Description

Dear Potential Buyer,

My name is Hailee Cameron. I am seventeen years old and a junior at Golden Valley High School (GO COUGARS!). I have been in the FFA program for three years along with Golden Valley's Volleyball and Softball programs while maintaining a 4.1 GPA. This year will be my first year showing a Market Goat at the Merced County Fair.

I received my goat on January 18, 2020 and named him Dodger. He currently weighs 85 lbs. Dodger eats about 3 to 4 pounds of High Noon Feed and a pound of alfalfa each day. Dodger and I exercise five times a week by walking for 35 minutes.

I have been involved in my FFA program a lot throughout the school year. I have attended all of my school's FFA activities. As well as attended leadership conferences,

speaking competitions, and livestock judging competitions. Not only have I attended activities, but I have served many community service hours during my time in FFA. I have served community service hours by helping at the Merced Feast Dinner, Farm2U, Fall/Spring BBQ for my FFA program, and helped set up for Ag Booster Dinners.

Next year, I will be serving as a 2020-2021 Chapter Officer and starting my goat breeding SAE project. I will be saving my earnings from my projects for my college education. After high school, I plan to attend Chico State in order to continue my veterinary science and agricultural education career.

I am looking forward to having a spectacular Virtual Merced County Fair Auction.

Thank you,

Hailee Cameron.
