Description

Reserve Champion Yorkshire

Hi my name is Kassidy Burriss. I am currently a freshman at CSU Stanislaus. I am selling my FFA market swine project. I have shown swine for 4 years in Escalon FFA and before that as well in Van Allen 4-H. I graduated from Escalon High School last year, and I am now showing Senior year out. This year my swine project has been different than my previous years, I was able to spend so many hours with my animal and I am very proud of the outcome. My pig is a Yorkshire barrow weighing about 250 pounds. He has a very unique personality compared to the pigs I have shown before, and his name is Jefferson. I am very happy with how my last year in FFA has gone so far with this animal.
