Description

Hello, my name is Kendall Badano. This is my fourth year as a Tokay FFA member. As a senior I chose **both** a market rabbit and market goat again plus my Californian rabbit from last year as a breeder. I took out a \$950 loan from F & M Bank to fund these three projects. Working on a goat and two rabbit SAE projects, with the help of my Ag Teacher, Mrs. Becky Freeman, I have learned time management, animal education and care, watched videos and practicing showmanship. I have been active in my chapter; fundraising, community service, and judging team. I also earned my California State Degree.

After Delta College, I will transfer to Butte Academy, to become a Fish and Game Warden. I am very active in sports, band, theater and had a part-time job. I attended national convention in Indiana last fall, it was amazing.

For the 2020 San Joaquin Ag Fest. I raised a market goat. I have worked approximately 12-14 hours a week feeding, exercising and caring for him. My goat weighted 95 pounds on May 25th. I would love your support for my goat Sir Andy Timothy III. Thank you for your time and consideration.
