Description

My lamb Morty, is a suffolk hampshire cross. He was born in November 2019 and I bought him February 9, 2020 from the Morino Brothers in Escalon. This is my fourth lamb that I have raised and this year my lamb Morty scared me back at the end of February. He started choking on his feed and was bloating. My 4H leader came out and helped me get the feed unstuck and showed me what to watch for. We realized that he liked to eat too fast and had to adjust his feeding habits. I was very worried that we would lose him but he survived and he has been my very favorite lamb that I have raised. He has taught me that when a problem arises to stay calm, get help and figure out a solution.
