Description

My name is Dayna Lopes and I have been a part of the Delhi FFA Chapter for the last two years. This year I was the chapter Secretary. I am a senior and I will be attending Modesto Junior College in the fall, majoring in Veterinary Science. I've been interested in FFA ever since I was little. Sadly, I had a pretty late start due to my schools' chapter being new. I eventually got my first ag class and I loved it. It has changed me and shaped me into a better person. This year for my SAE Project, I decided to raise a market lamb instead of a goat, which is what I showed last year. His name is Fitz and he has a good personality and is funny and easy to work with. He weighs around 112 pounds. I've had him since February and it has been an amazing opportunity to raise him into the lamb that he is now. I don't regret the time, money or effort that I put into him. I learned a lot from this experience. I look forward to showing him off at the Merced County Fair Virtual Livestock Sale!
