Description

RESERVE CHAMPION 4-H MARKET STEER

Hello my name is Trent Powell. I am in Farmington 4-H I have a great steer this year. His name is Yoshi. He is mostly all black but he has a little bit of white on his head. He also has white on his legs. This is my fourth year raising and showing a steer. My buyers from the previous years have said the quality of the meat is great. I expect the same quality of meat this year. I got my steer in Spetmenber and I have fed him the highest quality feed and hay from day one. I am glad Ag Fest has provided a livestock show and sale this year. I will be sad to see my steer leave because he is so kind and loves apples. I am proud of my steer and I know he has been raised in the best place. Thank you for thinking of purchasing my steer. You won't be dissappointed in the product. Thank you
