Description

Hello my name is Alysa Marie Aguilar.

I am part of the Delhi FFA. I have been serving my chapter as a chapter officer for 3 years now. I was the secretary for 2 years in a row, and this past year I was the Chapter President. I love the ag industry and hope to one day own an agriculture business. I have two siblings and I am the middle child. I have a passion for baking as well as cooking and playing basketball. When I'm not spending time with my lamb, I'm in the kitchen or basketball court. I love to spend quality time with my lamb Luna, she has a great personality and sure is one of a kind. She loves to run out in the pasture every afternoon. I enjoy having picnics every afternoon while she grazes near me, or running together. Together we have created a great bond. I have invested many hours, money and a lot of effort in my project since January. Throughout my project I have learned so many amazing

things, like taking on bigger responsibilities, time management and feed ratios. All funds raised this year will go towards my project for my senior year.
