Description

Hello, my name is Mariah Sanchez and I am raising a market goat for the 2020 San Joaquin County Ag Fest.

I am a Sophomore at Tokay High School and it is currently my first year of being in agriculture and an active member of the Tokay FFA. Starting March 1st of 2020, I have had the privilege of raising a goat for market. Doing something out of my comfort zone like this has taught me the effort and time that goes into taking care of livestock.

I have currently put in \$600 to care for my goat and had at least put in 100 or more hours spent preparing him for fair. Since it's my first year doing market, I would love your support if you could bid on my goat Leviticus. I plan on using the proceeds to help fund my activities for FFA next year as well as putting some into my savings for college. Thank you!
