Date of Reported Weight 05/28/2020

Description

Buttercup is a 244 pound Hampshire Gilt. She was purchased from W-D Swine Farm in Turlock, CA from Ryan & Stacey Watje. She is a very smart and active pig that loves feeding time and belly rubs, she literally falls down when you rub her belly. She has been a great project this year and I have learned a lot from raising her.

Quantity: 1
