FFA Chapter or 4H Club Name Gold Creek

Validation Tag or Show reference# 93

County Elbert

Animal Weight (in Pounds) 1283

EAR TAG# 93

Description

Hi! I'm Kambryn, and this is my steer, Rodeo! Rodeo is a purebred Black Angus, and I've been raising him since he was weaned. This is my first year in 4-H, and I've spent a lot of time working with him. I taught him how to walk on a halter, stand tied, get used to being touched (even around his face and legs!), and stand still for baths and grooming.

Rodeo has been a great steer to work with. He's calm, gentle, and super smart. I've put a lot of love and time into raising him, and I've learned so much along the way.

Why bid on Rodeo?

- He's a purebred Black Angus, known for high-quality beef with great flavor.
- He's very gentle and easy to handle, thanks to all the time I've spent working with him.
- He's market-ready and healthy, and he's been cared for every single day.

•By bidding on Rodeo, you're supporting me and other 4-H kids who are learning to raise animals the right way.

Thank you for reading about me and Rodeo. I'm really proud of him and excited to be part of the auction this year!

Quantity: 1283
