### **Description**

Hi my name is Carson Hammond. I am a Sophmore at Whitewright High School. This is my Maine Anjou Steer "Oreo". His sire is Front and Center. I have shown since 3rd grade and enjoy the learning experience. With the premium money I plan on putting it towards my college account. I have plans on attending a welding trade school locally when I graduate and working in the oil field. Thank you for your support. It is appreciated greatly.

Carson Hammond
