Description

My name is Sebastian Munguia and I am a member of the Tokay FFA. This is my 2nd year in FFA and I raised a market goat for the 2020 San Joaquin Ag Fest. My market goat weighed 92 pounds on May 25th. Along the way of this project, I have worked very hard feeding, exercising, and just being there for my animal. I have spend approximately 7-9 hours per week and have spent about \$600 so far. I would be very happy if you support in purchasing my goat. I plan to use the money from this project to fund in my college money. Thank you!
