Description

Hello my name is Vanessa Cortez. I'm in 8th grade and this is my second year as part of the Delhi FFA chapter. Some things I do outside of FFA is play soccer, softball and football. I also volunteer at the veterinarian's office in town. This year for my SAE project I chose to show a market lamb. My lamb's name is Big Head. I worked with her a lot and developed a relationship with her. She has a very good personality and she's calm most of the time and likes to eat her food. Last year I went to the fair to help and watch, this year I was hoping to participate myself with my lamb. Even if I cannot participate this year, I am still glad I decided to do this project. I developed a bond with my animal, had a great experience and I hope I am able to do it again next year. Thank you for taking the time to read this and for your support.
