Description

Hello, My name is Hadley Ray and I just completed 4th grade at Plainsbug Elementary. This is my first year in 4-H with the LeGrand 4-H club. This year for my first project I chose to raise a Market Swine and I chose a cross bred swine. I had a lot of fun learning about pigs and how to take care of them. Throughout my project, I learned what to feed and how often, importance of cleaning his pen and excercising, and also how to properly house pigs when they are small and how to keep them gaining weight in the hot weather as we get closer to fair time. It has been a wonderful experience and I would like to thank all of my club mates, project leaders, friends and family members who helped me along the way. I appreciate eveyone who is visting the virtual auction and bidding on my project, once again thank you very much.
