Description

My name is Makailey Machado and I am with Oak View 4H. I am 15 years old and a sophomore at Galt High School. I live in Acampo California. This is my second year showing a market goat. I showed a goat last year and had a lot of fun while doing so. I take care of my goat every morning before school and when I get home from school. I give them fresh cold water twice a day and sometimes three times when it is very hot. I feed my goat the best quality food and supplements that contain many vitamins and nutrients. I have gone to many goat clinics and have chosen the best breeders, trainers, and feed possible for my show goat. I have noticed a big difference in my goat since I got him in March 2020. He has definitely gained more weight and more muscle.

I spend as much time as I possibly can with my goat. I work with him a lot, but I also try to have some fun with him. I have been staying home due to the COVID-19 quarantine and I have been enjoying spending quality time with my goat. I have been doing things such as

bathing and exercising. I really bonded with my goat, but know he is my project and can't get too attached. I love taking care of my goat and I will definitely be showing a goat again next year. I will use the money that I earn selling my goat towards a new goat and supplies next year. Any left over profit I will use for college.

Thank you for taking the time to read my letter.

Sincerely,

Makailey Machado
