Description

Hello, my name is Kaleb Shannon and this is my barrow Rocky. Rocky is a Dark Cross. He is 7 months old and weighs 243 pounds. Rocky likes to run and enjoys his freedom when I'm cleaning his pen. Rocky was gaining weight fast so we slowed down his weight gain by monitoring his food intake and weekly weight gain. This year has taught me a lot. Because I was showing two projects, I learned to manage my time and be self-disciplined, as well as responsibly taking care of animals. Thank you for taking the time to read my bio and for your consideration in supporting me.
