Description

Hi, my name is Dillan Booth and this is my 9th year showing, this year I am showing with Escalon FFA. I am 17 years old, and I attend Escalon High School. After High School, I plan to go to a four year college to become a wildlife biologist. Some of my hobbies are hunting, fishing, quading, helping people in the community, and hanging out at the Escalon Youth Center with my friends.

This year, I have been raising one pig to show at the 2020 San Joaquin County Online AgFest. I got my pig at the beginning of February. I named her Cheesy and she is a Yorkshire. I have learned a lot from showing pigs for so long. I have learned the responsibility it takes to take care of my pig. I have learned time maning skills from feeding my pig twice a day at the same time. These skills i will be able to use not only now but for the rest of my life. If you like a nice pig from a nice kid I suggest you buy my pig because you will get the best pork in the entire county.

Thank you to all the San Joaquin AgFest members who have made this possible, and to everyone who places a bid on my pig or makes a donation.

All animals are being sold by the head/lot, not by the pound. Resale and custom options available, no live animals.

If you are unable to purchase my pig but would like to help me out you can fill out a “scholarship” form online at <https://sanjoaquinagfest.org/agriculture-education-scholarship-donor-form/> make sure to reference Dillan Booth: and provide “add on” money to the person who buys my pig.

Thank you for your time and consideration.

Sincerely,
Dillan Booth
