Validation Tag or Show reference# 609

County Merced

City Merced

Animal Weight (in Pounds) 210

Date of Reported Weight 06/11/2020

Description

Hello! My name is Alea Romero, I am a Junior at Merced High School, and this is my third year participating in FFA. This was my first year showing swine, I showed goats for my first two years in FFA. During this project, my mind was set on accomplishing two goals, which were to expand my knowledge of animals and to qualify for my State Degree in the upcoming school year. I had so much fun and encountered many learning experiences along the way, I hope you are all safe and healthy and I can't wait to participate in the Merced County Fair again next year!!

To let you know a little more about me, I genuinely enjoy getting involved in the community. I've been in Girl Scouts since I was 6, I am currently 17 years old. I've participated in various clubs at my High School such as APS (Association of Premedical Students), Leadership, Kiwans, and I've been taking college classes since my sophomore year. I ended my Junior year with a 4.25 GPA, I am a driven student with many goals, I love helping others, and I hope to pursue a career in the Medical Field. Since taking classes so early I will receive my AA in psychology the fall semester

after my senior year. Although we are not able to show at the fair, I'm grateful for the opportunities the community has still provided for FFA and 4-H members. Everything I earn for this project will go towards my senior year SAE project. Thank you for your time and consideration, again I hope you and your family are safe and healthy.
