Description

Hi, my name is Kaitlyn Costa I am secretary of Weaver 4-h. This is my 5th year of showing a market goat. My goat's name is Harry and I have been working really hard with him. I made sure he got a lot of exercise. I fed him every day and made sure he had fresh water. This will be my last year showing a goat so I can focus on my senior year and then college. Thank you for your interest in my goat.
