⚠ WILLIAM BURDEN ⚠

2nd place FFA Market Class Winner

My name is William Burden & this is it for me.... my LAST market steer. This is my BIG year! The one I go out with a BANG! Although this year's Livestock show season was cut short due to Covid-19 , I have continued to work hard and push forward with my goals. I'm in "year out" with Manteca-Sierra FFA. I just finished my 1st year @ MJC & applied for my American Farmer Degree. I am pursuing a BS Degree in Animal Science. Thank you for the support! Thanks for helping me go out with a BANG! Raise that bid & help a young college student out!
