**~1st PLACE CLASS WINNER~**

My name is Levi Burden & this is my 1st market steer to raise for Agfest. "Bruiser" places first in his class & was contender in Champion Drive. I have been breeding & showing beef cattle for the last 3 years. I will be a freshman this coming year at Sierra High School, as well as the Calla 4-H President. I am looking forward to future livestock shows as this season was cut short. I put in a lot of blood, sweat, and money on this year's steer. My goal is to pay off my loan and break even. Thanks for the bid, add-on, & support!  
Fill your freezer full of beef!
