Description

Hello, my name is Haley Koponen, I am a Junior at Tokay High School in Lodi CA, and this is my third year in FFA. For this year's 2020 agfest, I have chosen To raise another market goat. My market goat weighed 90 pounds on May 25. Every day I have worked hard taking care of my goat by feeding and exercising him. I have spent 8 to 12 hours a week taking care of my goat. I have spent \$600 for this market goat. I have learned a lot from raising market goats. I have learned self-discipline, responsibility, teamwork, and time management. During these years raising a goat has shown me a good insight on how a farming business can be run and further my interest in the agriculture world. I plan on using my proceeds from this project of fun for college tuition. In my weight class, my market goat got second . Thank you.
