**County** San Joaquin

**City** Lodi

**Animal Weight (in Pounds)** 88

**Date of Reported Weight** 05/25/2020

### **Description**

Hello, my name is Rachel Gibbons, I am a Sophomore at Tokay High School in Lodi, CA and this is my second year with FFA. I have learned a lot while being involved with FFA by not only raising a goat for fair but also being involved in daily Agriculture Class. While raising a goat, I have learned self-discipline, responsibility, teamwork, and time management as I also play for my high school Varsity Softball Team. During my Agriculture class, I am receiving the knowledge of the many careers that can extend from Agriculture and how I may involve myself in these fields. During these last two years, raising a goat has shown me a good insight as to how a farming business can run and further my interest in the Agriculture world.

My goat was purchased March 1st, he was 58 pounds at approximately 3 months old and is being housed at our school barn located at Tokay High School in Lodi. The way I chose my goat was looking to see which one had the best muscles, structure, and overall health condition. I have taken exceptional care of my animal by feeding him twice a day with a pound of BAR\*ALE Livestock

Feeds grain mixed with a little bit of Lamb Slam and a handful of grass hay to finish off his meal. We have weekly weigh-ins and as of May 3rd, my goat weighed 80 pounds.

I am planning on continuing FFA for the remainder of my high school years and look forward to raising another animal. With the sale of my SAE Project Goat, I am putting the profits towards my college fund along with any scholarships I may receive.

My goat placed 3rd in his weight class. His AgFest tag is 8404, lot# 481. There are other ways to support me if you are unable to bid or purchase my goat, this can be done as an add-on. You can choose to donate a dollar amount of your choice which will be added on the day of the auction to my total sale. Every bit helps me achieve my goal.

If you have any questions or would like more information regarding the Fair or my goat, please feel free to contact me at [r.gibbons@lodiussd.org](mailto:r.gibbons@lodiussd.org) or cell (925) 413-5606 or (209) 400-3817.

Thank you; your time is greatly appreciated.
