Validation Tag or Show reference# 594

County MERCED

City MERCED

Animal Weight (in Pounds) 260

Date of Reported Weight 06/04/2020

Description

“FireBall”

My name is Jack Dunbar. I am currently in my first year of FFA and my third year of showing swine. I am 15 years old and attend Merced High School. I was on the school football team and was on FFA C.D.E. teams. I enjoy being outdoors, fishing and riding dirt bikes.

I purchased “Fireball,” a Duroc Barrow, in January when he was around 80 pounds. I have enjoyed having him these past few months. Being apart of the swine project and FFA has taught me responsibility and patience. I have also learned how to care for animals like Fireball. I am excited to pursue my interests in FFA and look forward to learning through this program.
