This is my last yaer in 4H, but my first year showing rabbits, through Ag Fest. These are my 3 rabbits, I raised as my meat pen rabbit project. I raised them from my California Rabbit doe at home. They were born on April 2020. They have received fresh food and water daily. I have a mister set up to keep them cool in the heat. My rabbits have been well cared for and will make a great dinner for you.
