Description

Hello, my name is Raul Sanchez, and I am a Sophomore at Le Grand High School. I am involved in our high school football program, as well as an active FFA member of the Le Grand FFA for the past 2 years. Over the last 4 months, I have been caring for my Duroc hog. She has developed greatly over these four months. When I received her she was only about 70 pounds, but with great care and the right feed, she is now over 240 pounds. I have walked her everyday, fed her twice a day, and made sure she has a clean living environment. Last year I showed a sheep. While I enjoyed the experience, I was looking to learn about caring for a hog, so that's what I chose to show this year. A few things I learned this year while raising my hog are time management, responsibility, and animal health practices. I look forward to showing again next year, and appreciate all the support through these times.
