Description

My Name is Delaney Hineman and I am 17 years old. This is my 7th year in 4-H and my second year raising a steer. My Steer is named Harvey. He is a Hereford steer. He came from a local breeder in San Joaquin County. I purchased him in September 2019 and he was about 750 lbs. I have fed him grain and wheat hay as well as plenty of fresh water and exercise. He measured at 1417 lbs on May 29 and is averaging about 2.5 lbs of gain per day. He is a big boy! I expect him to be about 1450 at sale if not more. If you get a chance, watch the video of him. He is a beautiful steer. He placed 4th in Market in the largest class for steer. Thank you for considering buying my project. (we measured him at 1453 today, 6/11/2020
