Validation Tag or Show reference# 8157

County San Joaquin

City Manteca

Animal Weight (in Pounds) 140

Date of Reported Weight 05/28/2020

Description

Hi, my name is Emilee Craighead, I am 16 years old, a sophomore at Manteca High and a member of Manteca FFA. I appreciate and thank you for taking the time to read about my lamb, Mr. Bentley, and myself, as well as considering bidding on him.

I have been on the honor roll every semester. I am a three-sport athlete. I run varsity cross country, and track/field and am on the junior varsity soccer team. With COVID -19 canceling my track season, I was able to get my runs in daily with my lamb. We would run between 1 to 3 miles per day.

This is my second year in FFA. Last year, I raised and showed a market hog for AgFest. This year I raised a market lamb and a market hog. My lamb's name is Mr. Bentley, he is a Hamp Cross. He weighs about 140 pounds now and will be close to 150 pounds at the time of auction. I have invested about \$900 into my market lamb project. Mr. Bentley likes to jump up on me and get a hug. In my break/class at the virtual San Joaquin AgFest, he placed 3rd. I enjoy raising my market animals and will continue raising them for the rest of my high school career.

After high school, I plan to attend college, continue my running career, and become a surgeon. Thank you so very much for your time.
