Description

My name is Suzannah Beltran and I am a member of Tokay FFA. I'm a freshman at Tokay which means it's also my first year of raising livestock. I raised a market goat for the 2020 San Joaquin Ag Fest. My market goat weighed 90 pounds on May 25th and placed 5th in his weight class. I have worked hard on my goat feeding, exercising, and caring for my goat. I've spent 7 to 10 hours hours per week and have spent approximately \$600 so far on this project. I would gladly appreciate it if you decide to place a bid on my goat. Any profit I make I will be saving for college in the future. Thank you for your time and consideration!
