Description

My name is Dawson Donich and I am in Ripon 4-H. This is my 6th year showing pigs at the San Joaquin County AgFest. I have been raising my pig since February. I have prepared him for the show through hours of hardwork and patience. COVID19 has made change in all of our lives the past few months. The one thing I can say is my swine project and hours at the barn has brought some normalcy to my life. I want to thank the San Joaquin AgFest for putting countless hours into making sure that we were able to have this virtual show and auction. I also want to thank my parents, Ripon 4-H swine leaders, and Triangle L Farms for the all hours they have helped and mentored over the years.
