## **Description**

Hello there, my name is Analiese Flores I am a freshman at Merced High School and currerntly rasing a boer goat named Billy. Billy weighs 71 pounds. I had such a great expierence raising him into what he is now! In the beginning when I had first recieved Billy he was a small, untamed, timited little goat but, now I can proudly say he has come such a long way. Billy is very strong, tame, and heavily built. Though this journey must come to a close I believe my goat is prepared for the next step. Thank you.
