### **Description**

Meet Mushu, he is a very stubborn little goat but he has taught me a lot this year. My name is Anndrea Johnson. I am 9 years old and in the 4th grade at Glenwood School in Linden. I was very excited for my first year of showing and was very upset when it was canceled. My sister raises market lambs and so I wanted to try something different. I chose goats for my first project. Mushu and his sister were very picky eaters, so it took a bit to learn how they like to eat. Then I noticed Mushu wasn't eating much and we found out he had a urinary blockage. It was really neat watching the vet help him. Now Mushu is doing much better but he is lighter than I was hoping. While I've learned a lot about raising an animal this year, I'm looking forward to showing next year. Thank you to all of you for supporting the agricultural youth of San Joaquin.
