Date of Reported Weight 06/05/2020

Description

My name is Izabella Ybarra and I am from Delhi FFA. This is my second year raising a market goat. I started my project on February 1, 2020 and have worked with her everyday since then. By working with my goat and putting time and effort I have gotten her in shape to sell, she now weighs about 75 pounds. I appreciate everyone's support during my project!
