Description

Hello my name is Haven Christy, I am a member of the Delhi FFA Chapter. This year I chose to take advantage of the opportunity to have a livestock project. My project consists of a Market goat named Nani. I've had my fair project since February, this is my third goat and 5th project. Every day I walk, train, and feed my market project. I've invested \$600 dollars into my project including supplies and feed. My future plans include to attend college and become an Agriculture Education Teacher. Agriculture is and always has been a huge passion I intend to always stay and work hard in this industry.
