Description

Hello, my name is Victor Mejia and I am from Atwater FFA. This year I am a senior and am looking forward to selling you market rabbit meat pen (3). I have been apart of the program for four years and have held office at both the chapter and sectional level. I have also been apart of multiple FFA judging teams and speaking team. With your support I will be using the funds from my project to purchase a laptop for college next year!

Quantity: 1
