### **Description**

Hi! My name is Allison Franzese and I am a freshman at Livingston High School. I am fortunate to be able to raise a Market Goat with the Livingston High School FFA Chapter. My goat is named Cannoli. I purchased my market goat in January from a local market breeder and since then, I have been responsible for all aspects of caring for my goat; from twice a day feedings, to cleaning his water, to cleaning his pen and making sure he gets the proper amount of exercise and nutrition. Raising Cannoli has been a great learning experience for me. Cannoli was the smallest goat on our school farm, but with great care, I have raised him to make market weight and to be a healthy goat. My plan is to use the proceeds towards my college education. After graduating from highschool, I plan to major in Ag Education at Cal Poly, San Luis Obispo to become an Ag teacher. My hope is to be able to come back to this district to be a teacher here so that I can stay close to my family and give back to this wonderful community. Thank you for supporting my project!
